Thirty-third Public Sale

RARE COINS

To Be Sold by Mail Auction
to the Highest Bidder Without Reserve

Tuesday, November 15, 1927, by

M. H. BOLENDER

P. O. Box 34

Orangeville, Illinois

To Collectors—In this sale you can look for anything; there are some especially nice rare South American and Mexican coins including proclamation silver; some fine Indian arrow heads; choice U.S. gold quarter eagles; fine fractional currency; many U.S. coins; numismatic books, etc. You had better look carefully or you will miss just what you want. No definite order has been followed in the listing. It is safest to read every word.

Please Bid by the Piece unless stated to bid for the lot.

Be sure to send some bids to this sale. If you find nothing to bid on, and you want next month's sale list, it is safest to request same by postal card. If no bids are received from you, your name is subject to withdrawal from my mailing list to make room for new collectors. It takes only a minute of your time and a postal card to bring you the next sales list in case you send no bids this time. If you send bids, you are certain of next month's sale list.

Mail your bids early as there is little time left before the sale. First bids received also have the preference in case of a tie. At each sale, some bids are too late, and the bidder therefore disappointed.

At every sale several collectors express their regrets that they did not bid higher on some items. If you want a coin, you should make your bid high enough, and I will always buy as much below your bid as possible. All bids are faithfully and honestly executed as advantageously for the bidder as possible.

A commission of 5% will be charged for executing your bids and packing and sending out material. This charge is very low for the superior services I expect to render for you, and I am sure you will feel that it is justifiable. No charge made on any bids that are not successful.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible, as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to its value.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Some new unsolicited testimonials recently received:

"Assortment most pleasing. Am delighted."

"I am more than pleased."

"I congratulate you on your business methods."

"The coins I bought were very satisfactory indeed."

"I am more than pleased with the amount my coins brought at your auction sale."

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

Please bid by the piece unless stated to bid for the lot.

Note—I want to thank my customers for our pleasant dealings particularly those who have been with me at each sale for some time. Next sale will be Dec. 15. Get your coins in not later than Nov. 20 for this fine sale.

Those duplicates in your collection are doing you no good. Send them in to be sold in my next sale now in preparation. Then, invest the proceeds in something you want. That is the way several prominent collectors are improving their collections with joy.

Here is what a western gentleman wrote after I sold his collection last June:

"I am pleased to mention my entire satisfaction with the results. Your grading and grouping of the lots manifested experienced efficiency in these matters, and the net returns were really more than I expected. I shall be glad to resume dealings with you in the fall."

Full is here now, this gentleman kept his word, and he is with me again. What I have done for others, I can do for you. Quick returns and satisfactory results are realized as I hold sales regularly each month. Write for terms. Member of American Numismatic Association.

Yours for superior numismatic service.
